Juror- Roy Dietrich. Artist, Executive Director of the Riverside Community Arts Association and the RCAA Gallery.

I have no particular style of work. I play. I create whatever I am feeling and what develops from it. My work consists of many forms from abstract to traditional; in acrylic, oils, and multimedia. My work has been shown in several shows locally, in Los Angeles, and in Ensenada Mexico.

I am often inspired and influenced by seeing great art at museums and galleries here in Southern CA, as well traveling around the country. Seeing art created that is very unique, well crafted, creative, and especially those that can affect me emotionally is what I seek to find when I view any work of art.
